

## **Finding Aid**

### **The papers of former Vice President Mondale**

**Minnesota Historical Society**

**September 1, 2006**

### **Topic: EDUCATION**

*Summary: Walter F. Mondale was instrumental in driving the federal government toward greater support of education in both his Senate and vice Presidential career. He focused on improved educational opportunity for the disadvantaged and minority children, the growing prominence of foreign talent, as well as greater teacher activism in politics.*
