

## **Traffic, Tolling, and the Trans Texas Corridor**

### ***Rethinking Transportation Finance Roundtable***

**Monday, October 17, 2005, 9:00 a.m. to 11:00 a.m.**  
**University Club, Summit Room**  
**420 Summit Avenue, St. Paul**

Come hear the latest on toll projects, high-occupancy vehicle (HOV) and managed lanes, and the Trans Texas Corridor from representatives of the Texas Department of Transportation and the Texas Transportation Institute. The Texas Department of Transportation has been a leader in implementing tolling and innovative pricing approaches to manage congestion and finance roads. The Texas Transportation Institute is nationally recognized for its measures of urban congestion and research on critical transportation issues such as managed lanes.
