You can always debate about what you should have done. The question is what are you going to do?

HUBERT H. HUMPHREY

As one of the country’s top-ranked professional public policy and planning schools, the Humphrey School of Public Affairs inspires, educates, and supports innovative leaders to advance the common good in a diverse world. We focus on connecting our graduates to meaningful work that matches their passions and area of study. The vast majority of our alumni are employed in their chosen field, with more than 90% of 2012 graduates finding work in their field of interest.
