“What you do, what each of us does, has an effect on the country, the state, the nation, and the world.”

—Hubert H. Humphrey

EVENT SPONSORSHIP CONNECTS YOUR ORGANIZATION TO LEADERS WHO WORK TIRELESSLY TO CREATE A BETTER WORLD FOR EVERYONE.

The Hubert H. Humphrey Public Leadership Awards are presented at an annual dinner, which is the Humphrey School’s signature fundraising event—not to mention one of the Twin Cities’ most esteemed social gatherings. During the past 13 years, we have honored more than 50 award recipients and raised more than $1 million for student scholarships.

AN EVENT NOT TO MISS

Last year, nearly 500 people joined an evening to commemorate the life and legacy of former Vice President Walter F. Attendees included U.S. Senators Al Franken and Amy Klobuchar, Congressman Tom Emmer, members of the Humphrey School Dean’s Advisory Council, University of Minnesota President Eric Kaler, and leadership from top Minnesota corporations and nonprofit organizations.

YOUR SPONSORSHIP SHOWS COMMITMENT TO THE EDUCATION OF FUTURE POLICY LEADERS IN MINNESOTA, THE COUNTRY, AND THE WORLD.

Since the Humphrey Public Leadership Awards were established in honor of the School’s namesake, Hubert H. Humphrey, these annual events have raised more than $1 million for student scholarships. That means more students have gone into careers promoting the common good without the burden of student loans, and more students have attained a master’s degree that would otherwise have been financially out of reach.

Your support helps make the Humphrey School and the world of public policy more representative and diverse.

Thank you!

RECENT HUMPHREY PUBLIC LEADERS FELLOWS

EMILY MUELLER is seeking a Master of Public Policy. She is passionate about finding creative and community-based solutions in affordable housing, land use, and youth programming.

“Without the generosity of this fellowship, I would not have been able to pursue graduate studies. Benefiting so greatly from such an experience reminds me daily to reflect on my own role, both now and in the future, in also helping to support and create opportunities within my own communities. I am forever indebted to those who have contributed to my fellowship—thank you!”

ANGELICA KLEBSCH has worked in economic and community development with the City of Brooklyn Park since completing her Master of Public Policy coursework in 2015. She shared her story at last year’s awards dinner.

“I’m able to network like a pro, trust my own research, and sit comfortably at the table with legislators, presidents of organizations, and even with an actual former U.S. Vice President. My experience at Humphrey has been transformative in the purest sense of the word, from the way I approach a problem to the very way I carry myself. I grew wings here.”
